

## Sale of shares of Suntech S.A.

Monday, 14 January 2013 09:19

---

Top Consulting S.A. would like to announce the sale of a significant stake of approximately 1.5 million shares of Suntech S.A. in an after-hours trade. In this transaction Top Consulting and individuals associated with our company have sold their entire stake in Suntech S.A. at a price representing a significant premium above that company's stock price on NewConnect. Top Consulting's total annualized return on investment in Suntech SA exceeded 25%.

We are currently finalizing portfolio investments in several attractive companies that will be announced in the near future
